MEETING: 7:00 PM
FIRST MONDAY OF THE MONTH
Center for the Visual Arts

BUDDY COMPTON

I spent 33 years as a teacher, coach, principal and superintendent in the public schools of Texas. Upon retirement in 2002, I was looking for something to keep me busy. That is when I became enamored with the lathe and woodturning. As my interest grew, I joined AAW and became a fan and supporter of SWAT. I served on the Executive Committee of SWAT for 5 years and served as President in 2016.

My mentor in learning this skill has been an old friend, Larry Roberts, who is a master turner.

I work with all woods, but my preference is mesquite. My pieces vary in shape and design which are dictated by the wood type, size and defects such as cracks, knots and bark inclusions. My goal is to turn pieces of high quality that will fit well in any gallery.

Continued..

None of my turnings are the same, as no two pieces of wood are the same. Designing an ideal piece from a raw piece of wood is the continuing challenge that calls me to my shop each day.

My work is available at Comfort Crockery in Comfort, Texas, Wood's Boots in Colorado City, Texas, and on my website,

www.woodturningsbybuddy.com.

October 13 Celebrate Roanoke.

This is a yearly event for our club to help Roanoke celebrate and to hand out some of our cars. It gives us an opportunity to tell others about our club and show off some of our skills. See the flyer and the sign-up sheet at the club meeting. It really is great to get the whole club out and it really is a lot of fun.
